

# Ignite Their Potential, Build Their Future!

St David's Marist Inanda opened its doors to the Inanda campus in 1941 and has a proud history of excellence in academics, extra-curricular activities, leadership and service. Building on this legacy and its impact, we are immensely proud to have opened the doors to a new St David's campus situated in Alexandra in January 2023, aiming to provide boys in Alexandra with quality education rooted in Catholic values and the Marist ethos.

**We are excited to grow our school, and are now ready to receive applications for our new Grade 8, 2024 cohort!**

**Secure you son's future!**

## TAKING YOUR SON ON A JOURNEY FROM GRADE 8 TO MATRIC:

St David's Marist Inanda is a school in which all members of the school family recognise the special Catholic ethos of the school, and join in upholding the Christian teachings of the Gospel within a Catholic Marist tradition of Humility, Simplicity and Modesty. Our teachers provide a challenging learning environment that enables boys from diverse backgrounds to realise their potential and develop their talents. St David's Marist Inanda is an African school preparing boys to take their place in society - and to build South Africa - as enquiring, well-balanced individuals aware of their social responsibilities to the wider community, and ready to respond with compassion and justice to the realities of society.

### SCHOOL PROGRAMME:

#### ACADEMICS

The school follows the IEB curriculum up to matriculation (grade 12). Emphasis is placed on achieving excellence in English, isiZulu, Mathematics, and Science. Additionally, the programme provides a solid foundation in Information Technology, Coding, and Robotics. The creative arts, including subjects like art, drama, and music, are also given importance.

#### STAFFING

The school employs qualified and experienced teachers who work closely with the established academic structures of St David's. They teach the boys both in person and via hybrid technology, ensuring a comprehensive and effective learning experience.

#### EXTRA-MURALS (CULTURAL AND SPORT)

The school collaborates with the boys on the Inanda campus to offer a range of extramural activities. Initially, the focus is on key sports such as cricket, swimming, basketball, rugby, soccer, and hockey. Cultural activities like choir, art, drama, and music are also included to cater to diverse interests.

#### SERVICE & LEADERSHIP

The Marist approach emphasizes service and leadership. All students, regardless of the campus they belong to, engage in initiatives that contribute to building the wider community. Through these experiences, the boys learn important values such as humility and develop the necessary skills to become future leaders of South Africa.

#### FUTURE-PROOFING SKILLS

Recognizing the demands of the 21st century, the school aims to equip St David's boys with skills that will make them successful in their tertiary studies and life beyond. In addition to the core academic subjects, the programme includes a range of supplementary skills to prepare the students for future challenges and opportunities.
